Redeem

"I like to say that **Redeem** should be the only uppercase "R", while all the others remain lower-case "r's" because our Redeem program **permeates all that we do**. We have emphasized evangelism and discipleship with children on the street this year and are seeing them **come to know the Lord**. Redeem is the backbone of our "Reasons to Believe" class, our daily chapel program, our Sunday services, and our afternoon discipleship programs. Redeem guides our ongoing evangelism and discipleship efforts with children and families in their homes. **Redeem is HUGE for Agape. It's why we're here. It's just tough to quantify.**"

-Chris Page, Kenyan Field Director
